Motorcycle Championship Sunday at Carrells

Most important race for the Southern California motorcycle racers will be Sunday's 100-mile A.M.A. Western Championships over the new spectacular winding Road Race course at Carrell Speedway. This will be the first time the big racing road bikes have tried Carrell's "pretzel", hailed as the toughest test for speed racing in the west.

All the A.M.A. "hot shots" will be on hand for the grueling 100-mile marathon. The Road Race course at Carrell is one mile in length.

Letters to the Editor

Edith Narsworthy's letter calls to our attention that the city fathers violated conditions under which they were elected. For she shows that these honorable gentlemen became a party to a strange species of generosity which they were elected. For she itely more valuable than it bestows. She feels that accessibility to a public park is an inestimable democratic privilege that should not be denied us.

Her quarrel apparently is not with any youth-minded group, rather it is with those who would administer undemocratically for the exclusive benefit of this out-of-town corporation at our expense, and in a real democracy this would not occur.

"Real Christianity" Subject for Rev. Killman's Sermon

"Real Christianity" will be the subject for Rev. Russell Killman the assistant pastor of the First Baptist Church this Sunday night. "We live in a day when there are many counterfeiters, forgeries, and synthetics. What the world is looking for today is something that is real and genuine," said Rev. Killman.

Real Christianity is not found in a religion, creed, or a code of ethics, but in a person. The public is cordially invited to come and hear what God's Holy Inspired Word has to say about "Real Christianity."
